## Remote Meeting Access Information

Due to the COVID-19 health emergency - and to protect our commissioners, staff, and members of the public – our public meeting rooms are closed. **Members of the public are encouraged to participate in commission meetings remotely.** Please see below for each meeting’s participation/call-in instructions.

Commissioners will be attending meetings remotely through videoconferencing (and by telephone if the video infrastructure fails).

### How to Join Public Meetings:

You may join the meeting from a desktop computer, mobile device or telephone. You can learn about WebEx System Requirements for WebEx Events [here](#).

### Video Conferencing Instructions:

To attend a public meeting using the WebEx application link, you will find the link and password to the meeting at the top of the agenda. Note: meeting links and passwords are unique to each meeting.

### Public Comment Opportunities:

Public comment in regard to specific agenda items will be taken before or during consideration of the item. During General Public Comment, members of the public may address the Commission on matters within the Commission’s jurisdiction and not otherwise on this agenda. Each speaker may speak for up to three minutes per agenda item, unless the Chair has announced a different length of time at the beginning of the meeting. Speakers may not transfer their time to another person. Any person speaking during a public comment period may supply a written summary of their comments to be included in the minutes if it is 150 words or less.

## How to Participate During a Meeting:

You may find the meeting's unique link and password in the agenda of the meeting.
